Dear Parent/Carers,

It was lovely to see the children all back after the Christmas Break and ready for the Spring Term. I am including a list of diary dates with this newsletter, further information for some of the events will follow nearer the time.

We are concerned that the cloakrooms are very congested at the beginning and end of the day and have decided after discussions that it would help if all parent/carers of pupils of KS2 said goodbye to their children on the playground rather than in the cloakrooms. We hope that by doing this we will ease the congestion and make it safer for your children.

We would also like to let you know details of a new initiative we have implemented this term. You may have seen on the news recently schools all over the country taking part in The Daily Mile we think this is an excellent way of ensuring pupils and staff to stay fit and healthy. There is further information attached to this newsletter and you may want to read further information on line on The Daily Mile Website. <http://thedailymile.co.uk/>
